

End of Life Notification

Due to schedule for obsolescence of a component that will be discontinued by the supplier, no similar components are available on the market and therefore we are forced to notify an End of Life of the:

Free2move part number	Latest time placing a purchase order	Call-off latest by	Replacement
F2M03GX	31 st of March, 2013	31 st of October, 2013	Within 2013 there will be a replacement. The replacement is not footprint compatible.
F2M03ALA	30 th of September, 2013	31 st of March, 2014	P-series
F2M03MLA	30 th of September, 2013	31 st of March, 2014	P-series

There will be a new series of Performance modules (P-Series) replacing above. They will have a new pin out and a new footprint.

Engineering samples will be available during end of Q2/2013.

The next generation of Free2moves modules, the P-series (performance series) will have full modular approval, which will simplify the end product certification.

Please contact sales@free2move.se or support@free2move.se for further information.
